

DEVELOPMENT PLAN CREATION

Develop tomorrow's leaders with a detailed, role-specific roadmap

A FOCUSED ROADMAP FOR SUCCESS

Based on the results of a participant's OAP assessment, our consultants create a personalized plan identifying up to three developmental goals, each accompanied by specific strategies and recommendations for successful growth.

Multi-modal recommendations for development ignite skill growth for all learning styles, blending hands-on exercises, carefully cultivated articles and books, and video-based training from leading experts. Plans feature clear benchmarks, aiding managers and HR professionals in monitoring participant progress.

KEY FEATURES:

Crafted to enhance current role performance and facilitate acquisition of skills for continued growth

Actionable, multi-modal recommendations spark new insights for experiential and didactic learners

Clear benchmarks for monitoring plan-based developmental progress
